

## HOW TO ENTER

See Showman information video linked here: <https://vimeo.com/330855654>.

Click [Enter Here](#), or visit [www.showman.app](http://www.showman.app) search and select **Wisconsin Sheep & Wool Festival**. You are now at the show homepage.

- Review all show details
- Click [Enter Show](#) tab
- *Interested in entering this show?*
  - [Sign In](#) to your existing account OR [Create a Showman Account](#)
  - Review your account for accuracy, update your account and profile as needed.
- Click [Start My Entry](#)
- Next click [New Entry](#)
  - If you do not have previously entered animal(s), enter animal information now and choose all applicable shows. Click [Add Entry](#). To Continue with additional animals click [New Entry](#)
  - If you have previously entered animals, the first animal information will appear. Choose all the shows for that animal. Locate your animal from a previous show with the search tool. Click [Add Entry](#). Repeat for all animals you plan to enter.
    - (Note: Showman will save all entered information if you need to pause entries)
- [Add Exhibitor](#) from dropdown list or add new exhibitor
- When ALL entries are complete click [Next](#). You will be routed to [Entry Questions](#). Complete required questions, you will proceed to the [Confirmation](#) screen. Review your entries here.
- Next select [Go to Check Out](#). Review then click [Submit Payment](#). The checkout page will appear, and it will ask you to enter your credit card information.

After submitting entries, you will be directed back to the Wisconsin Sheep and Wool homepage. You will be able to update your entries/add additional entries.
